ESF President's Welcome

On behalf of the European Squash Federation, welcome to the 2017 European Team Championships Divisions 1 & 2 in Helsinki. Welcome to players, coaches, spectators and officials. We were last in Helsinki for this Championship in 2011, and I'm sure we'll have an equally memorable visit this year.

May I take the opportunity to thank the Finnish Squash Association, and its President Risto Penttilä for hosting these Championships.

These Championships are now in their 45th year for the men and 40th year for the women. We have 37 teams competing this year, including 3 of the world's top 10 players in men's and women's championships. So it promises to be a truly world class showcase for our sport here in Helsinki.

The Championships would not have been possible without the significant support from a very committed and efficient team in the Finnish Squash Federation. ESF would like to thank in particular Poku Salo, the Championship Director; Lars Ekholm who has managed all the logistics including venues, hotels and transport; Jyrki Wahlstedt, Championships Referee; and Ilkka Forsell who will manage the Championship Office in Espoo. Poku, Lars, Jyrki and Ilkka will have a team of volunteers supporting them, and our thanks extends to the team.

On behalf of ESF I would like to thank ESF Technical Director Martin Wren, who does an immense amount of work behind the scenes to support the host team in the months leading into the event; and also to the large team of referees for these Championships who give up a week of their time to support the event.

We can look forward to seeing some world class competition over the 4 days in Helsinki, played in the best of spirit. I wish you all a successful and enjoyable championship.

Zena Wooldridge OBE
President, European Squash

WELCOME TO FINLAND!

And welcome to the coolest capital in the world!

Finland turns one hundred as an independent country this year. It is a privilege for us to host the European Team Championships in Finland on our 100th anniversary.

The motto of Finland's anniversary celebrations is "together". That is a good motto for the Championships as well. The games are a joint effort created by the participating players, coaches, sponsors, spectators and organisers. Together we make it happen.

The organisers have worked hard to make sure that everything runs smoothly. Yet, there will be glitches. I ask for two things only. First, please, let us know if something does not work properly so that we can fix the problem as quickly as possible. And, secondly, have a little patience. You can rest assured that we will do our best.

Squash is the healthiest game in the world. It makes you fit. It makes you smart. It makes you look good.

It is a privilege and a delight to host the European Team Championships in Finland. Let's have a fantastic tournament! Let's make a lot of new friends!

In squash!

Risto E. J. Penttilä

Championship timetable

1. Ties shall be played on a maximum of two courts per tie.
2. All ties shall be played over a period not exceeding four days.
3. The playing schedule shall be organised, where possible, to ensure that all teams have an equal rest period between ties. (The period from the start of the first tie to the start of the last tie in a Pool shall be similar for all teams in that Pool.)
4. Teams may be required to play two ties per day, in which case there shall be a minimum of four hours between the scheduled start times of each tie.
5. Both semi-final ties shall take place on the same day.
6. Each final shall be scheduled to commence at least 18 hours after the start of the latest relevant semi-finals.

Final order of teams

1. The following are scored by each team:
Tie Points for each tie - 2 for a win, 1 for a draw, 0 for a loss
Match Points for each Match won in the Tie
Game Points for each Game won in each Match
Single Points for each Point won in each Game.
2. The final places in a Pool shall be decided on all the results of that Pool:
 - a. first by the greater number of ties won; b. if 2 or more teams have won the same number of ties, then by the greater number of Tie Points won;
 - c. if 2 or more teams are still equal, then by the greater positive difference of Match Points won and lost; four days.
 - d. if 2 or more teams are still equal, then by the greater positive difference of Game Points won and lost;
 - e. if 2 or more teams are still equal, then by the greater positive difference of Single Points won and lost;
 - f. if 2 or more teams are still equal, the result of the match(es) between the #1 players (in order of games then points) of the Tie(s) between them;

- e. if 2 or more teams are still equal, then by the greater positive difference of Single Points won and lost;
 - f. if 2 or more teams are still equal, the result of the match(es) between the #1 players (in order of games then points) of the Tie(s) between them;
 - g. if 2 or more teams are still equal, the result of the match(es) between the #2 players (in order of games then points) of the Tie(s) between them;
 - h. if 2 or more teams are still equal, the result of the match(es) between the #3 players (in order of games then points) of the Tie(s) between them.
3. At any knockout stage, the result of a Tie between two teams shall be decided:
- a. by the greatest number of matches won;
 - b. if equal, by the greatest positive difference of games won and lost;
 - c. if still equal, by the greater positive difference of points won and lost;
 - d. if still equal, by the result of the match between the #1 players of the Tie.

Playing order of matches in Ties

1. The playing order of matches in all Ties on each day of the Championships will be drawn by the CAP at the Team Managers meeting; and shall be posted in the Tournament Office and in the official hotel. All Ties played each day will use the same playing order (but can vary from day to day).

In men's Ties, if 3 or 4 matches are played on one court, the # 1 must play 2nd on that court. If only two matches are played on a court the #1 player must play 1st on one court. The playing order of all other matches will be drawn against 6 possible permutations.

In women's Ties, the #1 must play 1st or 2nd with the playing order of all other matches being drawn against 4 possible permutations (1-2-3, 1-3-2, 2-1-3, 3-1-2). In mens ties

2. Players will be required to complete all matches in a Tie even if the result of the Tie has already been decided except in the Men's Final when, if both Managers agree, the following will apply:

If the result of the Tie has already been decided on count-back before a Match commences, then that Match will not be played and the result will be recorded as 'unplayed'

If the result of the Tie becomes decided on count-back whilst a Match is in progress, then play will cease at the end of the current Game and the result will be recorded as 'unfinished'

A Tie is decided on count-back in line with Rule J3 only if the result of the Tie cannot be changed however many more matches, games or points are played in that Tie

If the Managers do not agree, the match will be played in line with Rule H1.

3. The Team Manager and all members of his team for that specific tie must be at the designated court(s) ready for the scheduled start of the tie. If the whole team fails to arrive within 10 minutes of the scheduled start time or within 10 minutes of the first court becoming available for that Tie (if later), the Tie shall be conceded with the Team earning no Tie, Match, Game or Single Points.

If a member of the team fails to arrive within 10 minutes of the scheduled start time or within 10 minutes of the first court becoming available for that Tie (if later), the player must be replaced by the nominated member of the team ranked immediately below this player. The "bottom" match in the Tie shall be conceded.

Any player not on the designated court and ready to play within 10 minutes of the completion of the preceding match in the Tie will be scratched. If after another 10 minutes the next scheduled player is not on court ready to play that player also will be scratched. In this instance, all matches lower in the playing order, will be forfeited.

The Team Manager has the right of appeal to the CAP in the event of force majeure.

Scoring
